

Intersex	Cisgender	Transgender	Non-Binary
Two-Spirit	Bisexual	Asexual	Gender Non-Conforming
Pansexual	LGBTQ+	Queer	Gender-Fluid

Definition	Write-in Term	Circle What This Term Relates To
1. Describes a person who does not identify exclusively as a man or a woman. This person may identify as being both a man and a woman, somewhere in between, or as falling completely outside these categories.		Sexual Orientation Gender Identity Gender Expression Biological Sex
2. An umbrella term that describes a person whose gender identity differs from the biological sex assigned to them at birth.		Sexual Orientation Gender Identity Gender Expression Biological Sex
3. Describes a person who identifies as gay, lesbian, bisexual, transgender, gender neutral, questioning, and/or many other identities. While this term has been used in a derogatory way in the past, many individuals and groups are reclaiming it as an all-encompassing way to describe those who do not identify as heterosexual and/or cisgender.		Sexual Orientation Gender Identity Gender Expression Biological Sex
4. The potential to be attracted-- romantically and/or sexually-- to people of more than one sex and/or gender, not necessarily at the same time, not necessarily in the same way, and not necessarily to the same degree.		Sexual Orientation Gender Identity Gender Expression Biological Sex
5. An umbrella term for differences in sex traits or reproductive anatomy. Describes people who are born with these differences or develop them in childhood. There are many possible differences in genitalia, hormones, internal anatomy, or chromosomes, compared to the usual two ways that human bodies develop.		Sexual Orientation Gender Identity Gender Expression Biological Sex
6. Describes a person who does not experience sexual attraction, but may experience emotional or romantic attraction.		Sexual Orientation Gender Identity Gender Expression Biological Sex
7. A term sometimes used to describe indigenous North American individuals who		Sexual Orientation Gender Identity

<p>have a gender identity and/or gender expression that does not traditionally align with their sex assigned at birth, or have a culturally distinct gender apart from man or woman.</p>		<p>Gender Expression Biological Sex</p>
<p>8. A broad term referring to individuals who do not behave in a way that conforms to the traditional expectations of their gender, or whose gender expression does not fit neatly into a category.</p>		<p>Sexual Orientation Gender Identity Gender Expression Biological Sex</p>
<p>9. An umbrella term that describes a person who identifies as lesbian, gay, bisexual, transgender, and/or queer/questioning. In some cases, I, for intersex, A, for asexual, 2, for two-spirit, and/or +, to reflect a broader sense of inclusivity, is added.</p>		<p>Sexual Orientation Gender Identity Gender Expression Biological Sex</p>
<p>10. Describes a person who does not identify with a single fixed gender; of or relating to a person having or expressing a fluid or unfixed gender identity.</p>		<p>Sexual Orientation Gender Identity Gender Expression Biological Sex</p>
<p>11. Describes a person whose gender identity and gender expression matches the gender typically associated with their biological sex.</p>		<p>Sexual Orientation Gender Identity Gender Expression Biological Sex</p>
<p>12. An identity term for romantic and/or sexual attraction to people regardless of gender identity or to people of all genders. For some, gender is not a defining characteristic of the attraction they feel to others. Others may feel the gender is a significant part of their experience of attraction.</p>		<p>Sexual Orientation Gender Identity Gender Expression Biological Sex</p>
