RE: AOC Approval – WACAP Volunteer Curriculum

Dear Mr. Murrey:

This letter will serve as notification of the Administrative Office of the Courts' approval of the Washington Association of Child Advocate Programs' volunteer advocate statewide training curriculum, and specifically, the *Core Advocate Training Manual: 2020 Edition* and the *Facilitator's Guide: 2020 Edition*.

This approval is consistent with the powers and duties of the Administrative Office of the Courts outlined in RCW 2.56.030(15) in developing *a comprehensive statewide curriculum for persons who act as guardians ad litem under Title 13*.

Thank you for the opportunity to review and provide feedback on this very important training of volunteer advocates.

Sincerely,

A handwritten signature in blue ink that reads "Dawn Marie Rubio". The signature is fluid and cursive.
